

ERNST HAAGE PRIZE CALL FOR PROPOSALS 2018

Established in 2006 the Ernst Haage Prize honors young scientists for outstanding achievements in the field of chemistry and fosters young academics in particular.

The award is given in honor of the Mülheim entrepreneur Ernst Haage (1901-1968).

The prize is awarded by the Ernst Haage-Foundation and is endowed with € 7,500.

RESEARCH AWARD IN CHEMISTRY

Nominees must be scientists who hold a doctorate from a German research institution/university. They should have their primary residence in Germany, be no more than 40 years old and not have a permanent employment contract.

The prize recognizes outstanding scientific achievements in all fields of fundamental research in chemistry.

The award ceremony will take place during the Ernst Haage Symposium at Schloss Broich in Mülheim in November 2018.

Nominations may be submitted to the Foundation's Board of Trustees by **September 14th 2018** and should include the following documents:

- Two pages of laudation
- Curriculum vitae in table form
- Complete publication list
- Up to three reprints of works by the nominee

Personal applications cannot be considered.
